

# Cindy Solomon Bio

---

Cindy Solomon is a world-renowned leadership expert, author and speaker who helps Fortune 500 companies build Courageous Leaders™, better enabling their teams and organizations to compete and win in today's customer-driven economy.

With her Courageous Leadership programs, Cindy has helped hundreds of companies around the world identify, nurture and leverage the leadership potential in their front line employees and their leadership teams. As a result, leading organizations can better develop exceptional customer experiences and attract and retain the next generation of high performers. Cindy has brought her programs to tech companies such as Oracle, Cisco, Google and Salesforce; and industry leaders such as UPS, PriceWaterhouseCoopers, Wells Fargo and Pfizer, among others.

One of the most highly sought-after leadership speakers in the world, Cindy has traveled the globe sharing her provocative, and often hilarious insights on business, customer service and courage with tens of thousands each year. She is also a best-selling author on the topic of leadership, with books *Creating a Culture of Courage* for corporate employees, and *The Rules of Woo: An Guide to Capturing the Hearts and Minds of Today's Customers* for entrepreneurs both available on Amazon.
